

Switch Ultra

Introducing the new Switch Ultra Range!

A sleek, slimline collection of wiring accessories designed to bring modern style and reliable performance to every space. Locally manufactured with the quality and care you can trust. The range includes switches, plugs, and inserts that combine innovation with everyday practicality. Crafted for those who want more than just functionality, Switch Ultra is where contemporary design meets South African excellence.

Features:

- Thin slimline profile featuring a fluorescent insert
- Available in white and graphite
- Easy and effortless installation and operation
- Locally manufactured
- 12 month warranty
- Fitted with captive screws for ease of installation
- Light switches come standard with 2-way switching
- Same quality - thinner profile
